DIARY NOTES

DD/S *W*

15 September 1964

1. Dr. Tietjen was in to discuss the following items:

a. He discussed a reorganization proposal with me which I told him I thought sounded all right in principle. He will submit a formal paper and will probably ask for one additional position.

25X1A9a

b. I approved a field trip to the Far East for Dr. Tietjen and Dr. [REDACTED] in late October. The trip will be rather extensive, going all the way from [REDACTED]

25X1A9a

2. [REDACTED] was in to discuss several items.

[REDACTED]

25X1A6a

b. George requested guidance as to whether we could use funds originally allocated for the renovation of [REDACTED] for certain alterations desired there now. I told him that I thought we could not but that he should check this out with John Clarke's office.

25X1A

25X1A8b

c. I approved of the allocation to the Office of Operations of approximately one half of the 15,000 square feet in the Matomic Building which was vacated by the [REDACTED]

25X1A9a

3. Jack Earman was over to talk with me about [REDACTED] a psychologist on the A & E Staff who had been to see the Inspector General about his inability to effect a transfer to the Technical Services Division. With [REDACTED] permission Jack referred the case to me. He felt that this was not a case for the IG to handle.

like to talk with him about this after I had consulted with Larry Houston and Gates Lloyd. This I did, and both Larry and Gates felt that to employ [REDACTED] as Kirk suggested would be disastrous.

25X1A9a

25X1A9a

5. Dr. Tietjen was in to discuss several items.

a. Dr. Tietjen has seen Jim Garrison two or three times recently and said that he is coming along remarkably well.

b. During my absence Dr. Tietjen had conversations with Dr. [REDACTED] about Frank's case. All three read our exchange of memoranda and understand where the Agency stands with regard to [REDACTED] case. There is nothing further to do at the moment.

25X1A9a

25X1A9a

c. Dr. Tietjen reported that [REDACTED] is in the hospital with a malignancy.

25X1A9a

d. He also reported that [REDACTED] is in the hospital and that he has had another acute pulmonary attack. Dr. Tietjen felt that he might have to raise the question of John's ability to continue on active duty.
